Hackathon - Imagine Hack Awarded 2nd Position in an inter college hackathon conducted by Microsoft Student Society	2019
Regular Student Award Granted Regular Student Award for maintaining 98% attendance for 2 consecutive years	2016-18

LEADERSHIP & VOLUNTEER EXPERIENCE

Volunteer Lead - Year Round Volunteering NGO: Digital Empowerment Foundation - Collaborated closely with the NGO to promote digital literacy in rural India. I took the lead in onboarding and assembling a dedicated team of volunteers and developing a meticulously planned activity agenda on a weekly basis. - We successfully engaged with beneficiaries in Madhya Pradesh and Rajasthan, establishing meaningful interactions and effectively conveying our ideas. Our overarching objective was to narrow the digital divide between urban and rural India. We have covered an array of critical topics, including safe internet usage, COVID vaccination, India as a cashless economy through UPI payments, Phishing and Online Scams, Bank/Credit/Debit card Frauds and Robust Password practices.	2021
Thread Lead - Impact Day At Deloitte NGO: Wings to Fly Youth for seva - Onboarded, guided and led a team of 18 Cluster leads, who in turn onboarded 500+ volunteers. - Together as a team we were able to create and conceptualize 800+ lesson plans, activity sheets and worksheets along with answer keys for subjects including English, Social Studies, Mathematics and Science for secondary school students of Tamil Nadu, India.	2021
Cluster Lead - Impact Day At Deloitte NGO: Pratham Education Foundation - I served as a Cluster Lead for Impact Day at Deloitte, where I led a team of 40 professionals in an endeavor that made a positive impact on approximately 200 beneficiaries. I facilitated virtual interactions with preschool children from rural areas in Haryana, providing educational activities such as teaching nursery rhymes, narrating stories, and imparting digital literacy. Our efforts ranged from teaching multiplication tables to instilling essential COVID-19 safety protocols, encompassing a comprehensive approach to community betterment	2022
Team Volunteer - Impact Everyday NGO: Creation Welfare Society - As part of our commitment to corporate social responsibility, team members convene online to generate creative activity concepts tailored for young women aged 18-25. Professionals from Deloitte, hailing from various regions across the country, collaborate with us in designing weekend sessions aimed at creating a meaningful and enduring influence on the recipients, while fostering academic excellence. Among some of the personality development subjects we've addressed thus far are Resume Building, Group Discussions, Simulated Interviews, Professional Guidance and Emotional Intelligence.	2023-ongoing
Chief Coordinator - Computer Society Of India Muffakhm Jah College of Engineering and Technology - I was honored to be appointed as the chief coordinator of the student club during my final year of graduation. In this capacity, I had the privilege of representing our chapter at the college level. As a leader, I oversaw the recruitment of over 100 team members, working closely with my executive team. Together, we organized a range of engaging and technically-oriented events on campus, including multiple web development bootcamps and an inter-college hackathon at the city level, which drew a participation of over 400 individuals. - Additionally, I introduced the initiative of 'Giving Back to the Society'. Our student volunteers visited a local government school, where they interacted with and motivated children to pursue their studies, providing them with treats and essential stationery supplies as tokens of encouragement.	2020

STRENGTHS

• Leadership	• Quick Learner	• Networking	• Emotional Intelligence
• Communication	• Problem Solving	• Adaptability	• Public Speaking
• Empathy	• Time Management	• Team Player	• Decision Maker
